June 2007

Fun Gala - 29 June

We are holding an informal fun gala on Friday afternoon for all our swimmers. This runs from 4 until 7 pm, and swimmers are welcome to come for just part of it if necessary. There will be a wide variety of relay team races.

Quiz Night & Presentations

Gina Logan provided a great quiz night for both youngsters and parents in the club recently. The trophies and medals for the distance championships were presented, and a photo from this featured in the local press.

Congratulations to all swimmers who took part in this.

Courses

We thank the club members who took part in the recent level one teachers course held here, those who took part in the timekeepers course here, and the parent who has recently been working on a level two teachers in Glenrothes.

Parental involvement

The club appreciates the large input from numerous parents into the running of our activities. However, to keep going we need more people sharing in the work that is needed. Please see the letter from the Club President.

New members?

Thanks to those Saturday morning families who took fliers about the club to pass on to others who may be interested. There is room for new swimmers at all levels in the club, so please do pass on the news. Many swimmers join us through the Saturday morning sessions, and with a large number of promotions from the Saturday sessions to the evening sessions recently, there is plenty of opportunity for new members here. Please do pass on the word to others who may be interested.

Forthcoming Events

29 June, Club fun gala for all
26 August, Fife Leagues
8 Sept, Eric Muir Memorial relays gala, Cupar
16 Sept, Geordie Wotherspoon, Fife Novice League culmination
7 October, Fife Championships
10 Nov, "Real Novices" gala
Nov, Heats for club championships, all members encouraged to enter
Dec, Club championships - trophies, medals, and flashes to win.

Summer Timetable

During the school summer holidays the Saturday morning sessions will continue as usual, though we realise that the pool will not be as busy as at other times of the year. However, the evening squads have major changes to their session times.

The evening session will stop following the session on Thursday 5 July. On 2 Aug the Thursday sessions will start running again, 6.00 - 7.30 for Juniors and Improvers, 7.30 - 9.30 for the Development Squad. We hope to be back to our usual full set of session times when the schools go back after the summer.

Adult helpers

Please would all adult poolside helpers who have not done so already, fill in a SASA membership form for the club to register you (for no additional cost to you). Please also fill in a Disclosure Scotland form and get Lesley Bate (our child protection officer) to see your passport etc, and she will then send the form on.
